

A Family For Every Child

Volunteer of The Month

Kathy Hopkins
Volunteer Reference Checker
February 2012

Kathy has been with us since June 2011 working as our Volunteer Program reference checker and taking the time to personally answer the Inquires that we receive from families asking questions about how to start adopting or asking about a child they saw on our website. Kathy is always on time and ready to help when she comes in. She is very thoughtful in trying to give families the answers they need and always ready to tackle a new task. Kathy attended Lane Community College and lives here with her husband. She walked into the office one day and asked how she could Volunteer and has been an asset to us ever since!

Thank You for Your Service

Kathy
